

Dear Director,

Great Video Productions is providing the video service for the 2011 Savanna Field Tournament, in order for us to comply with copyright & synchronization permits, we will need information regarding the music your band will be performing.

We kindly ask you to please go to our website [www.marchingbandvideos.com](http://www.marchingbandvideos.com) and once there on the home page, please click on "Music Information Form", fill out the information and send us the form.

Our agent needs about 7 days to review and check the music, so we ask that you respond as soon as possible. We will be emailing those who do not respond, so please respond even if you do not want your show recorded, however, if you ask not to be recorded, you will not receive a show DVD, do not record means do not record.

If you have any questions regarding this form, you can contact us at 480 940 9678.

Thank you for your time and attention.

Regards

Lee Hopper
